

Create high visibility in any outdoor location with the Smart Shade Classic steel 3m x 3m Custom Branded Gazebo. The Classic steel 3m x 3m features a durable 30 series white powder coated concertina type steel frame with internal supporting scissor sections. Legs are 30 series square profile with easy to use sliders and connectors with three height settings. Set up and down is in seconds, no loose poles or rooftop. The Classic steel 3m x 3m gazebo frame is noticeably heavier than the equivalent deluxe 3m x 3m aluminium counterpart, however, considerably cheaper making it the perfect choice for the budget conscience. Standard toolkit accessories include rubber mallet, guy ropes, ground pegs and durable nylon carry bag with full zip. Optional branded side and back walls are available, single or double sided, full or half height. All our branded rooftops and walls include full colour, full coverage graphics using only the best quality 240GSM coated gazebo canvas which is 100% waterproof and noticeably thicker when compared to other manufacturers. Gazebo World not only guarantees its products, but stocks spares and services its entire product range, providing unrivalled value in the long run.
